ABOUT YOUR ACCOUNT - RBC Capital Markets, LLC, through the courtesy of RBC Correspondent Services, a division of RBC Capital Markets, LLC (RBC), carries your account and acts as your custodian for funds and securities deposited with us directly by you, through your brokerage firm or as a result of transactions we process for your account. Inquiries concerning the positions and balances in your account may be directed to us at 612-607-8903. All other inquiries regarding your account or the activity therein should be directed to your brokerage firm. Please review your account statement in its entirety. If you note any discrepancies in your money balance, security positions, tax lots chosen for disposition, or unauthorized activity in your account, immediately report any inaccuracy or discrepancy to your brokerage firm and RBC. In addition, you should reconfirm any oral communications with us and your brokerage firm in writing to further protect your rights, including your rights under the Securities Investor Protection Act (SIPA). You may write us at RBC Correspondent Services, Attn: Correspondent Relations, 510 Marquette Ave. South M-12, Minneapolis, MN 55402. A financial statement of RBC is available for your personal inspection at our offices or a copy will be mailed to you upon written request.

Securities in your account are protected up to \$500,000 (cash up to \$250,000) by the Securities Investor Protection Corporation (SIPC). RBC has purchased an additional policy covering up to \$99.5 million per SIPC qualified account, subject to a total maximum aggregate for RBC of \$400 million. This protection applies to the physical loss or destruction of your securities; it does not apply to any decline in the market value of your securities. Other investments shown on your statement but not held at RBC may not be protected by the SIPC or private insurance policies purchased by RBC. Certain investments and transactions are ineligible under SIPC such as commodity futures contracts and currency, as well as investment contracts (such as limited partnerships), fixed annuity contracts that are not registered with the U.S. Securities and Exchange Commission under the Securities Act of 1933 and foreign currency transactions. For more details, please talk to your Financial Advisor or call SIPC at 202-371-8300 for a brochure or visit www.sipc.org.

All securities that we hold for you that are not registered in your name ("street name" securities) are commingled with identical securities being held for other clients. In the event that any such securities are "called" by the issuer, we will determine which clients' securities are redeemed using an impartial selection system, as required by Financial Industry Regulatory Authority (FINRA) rules.

To report a lost or stolen VISA Gold® card, call 800-933-9946 or 877-486-3696. Questions regarding check activity, money funds balances and VISA Gold® card activity should be directed to Client Account Services at 800-933-9946.

If you have an option account, each of the transaction confirmations that we sent you itemizes the commissions that you have paid. Upon request, we will also furnish to you a statement of the total option commissions paid by you for this calendar year.

Accounts may be subject to an annual and/or inactive fee. Contact your Financial Advisor for information.

Please consult with your Financial Advisor promptly if the information shown below does not accurately reflect your objective or risk tolerance.

ABOUT YOUR STATEMENT - Statements are mailed monthly to clients who have transactions during the month that affect money balances and/or security positions. Statements are mailed quarterly to all other clients provided that their account contains a money or security balance. Please review these statements carefully, and keep them for your records.

Your statement is intended to provide only a summary of activity in your account(s) for the statement period. The information provided on the statement includes, among other things, a snapshot of the value of your account(s), a summary of the income you received for the statement and year-to-date periods, contributions to traditional, Roth or other Individual Retirement Account(s), and transactions in mutual funds shares. The presentation of the value of your account(s) value, as well as changes in value, includes all deposits, withdrawals, and other changes in market value. It may also reflect a reduction in value as the result of the return of principal on certain fixed income securities. However, changes in the value of unpriced securities, special products, or accrued interest are not reflected.

If you have questions about your individual tax situation, please consult your tax advisor.

The prices for most securities and certain securities transactions reported on this statement are obtained from independent quotation services whose appraisal(s) are based on closing prices, bid-ask quotations or other factors; however, in some cases, RBC calculates prices for certain securities using information from independent and internal sources. If you hold municipal revenue bonds, please be aware that the price you may receive on their sale may vary significantly from the price shown on your statement. Moreover, certain securities may have unique valuation requirements. Certain securities prices may not be current as of the statement date, and certain adjustments to your holdings may not yet have been included. If you purchase and/or hold securities traded in a market outside of the United States, and/or denominated in a currency other than United States dollars, the price of those securities may be converted into United States dollars for inclusion on your statement. The risks of adverse changes in the value of non-United States currencies relative to the United States dollar are borne by you; RBC does not hedge or otherwise mitigate such risks. While we obtain pricing and currency conversion information from sources that we believe are reliable, RBC cannot guarantee the accuracy of the prices and currency conversion information that appear on your statement. You should always request a current valuation of your securities prior to making an investment decision or placing an order to buy or sell securities. Note that securities that are not actively traded have not been priced and, therefore, are excluded from the total shown in your summary.

Non-priced Securities - Securities that are not actively traded and for which no independent quotation-service pricing is readily available are excluded from the (i) Market Price, (ii) Market Value and (iii) Account Summary Total sections of your statement. In these instances, the Market Value and Total Account Summary sections of the statement will reflect a \$0.00 value for these securities until such time that they begin active trading and/or have a readily available independent quotation-service price. Accrued interest for non-priced (NP) securities will be reflected on your statement where applicable. Examples of NP securities may include, but are not limited to, auction rate securities, auction rate preferred securities and certain structured products and over-the-counter equity securities.

Your statement also includes a summary of the short- or long-term gain or loss from the sale of selected securities in non-retirement accounts. "Short-term" refers to securities held for one year or less; "long-term" refers to securities held more than one year. RBC provides gain/loss information as a service to its clients; the information may not be accurate for tax reporting or other purposes and may rely on information, such as the original cost basis for a security, that you or another source at your direction provided to RBC. Gain/loss information may also reflect a change in the value of certain fixed income and other securities that return or amortize principal over time.

If you have elected to receive interest on free credit balances maintained in your account, please be advised that under federal securities laws and the rules of FINRA, we are permitted to pay such interest only on balances arising as an incidence of securities trading activities. We may use a free credit balance in our account in the course of our business, subject to limitations of 17CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You may demand and receive from us during normal business hours the delivery of any free credit balances to which you are entitled, and fully paid securities to which you are entitled, and/or any securities purchased in your loan account upon full payment of any indebtedness to us.

If this is an RBC Express CreditSM (margin) account and RBC maintains a special memorandum account for you, this is a combined statement of both your general account and the special memorandum account maintained for you under Regulation T of the Federal Reserve system. The permanent record of the special memorandum account as required by Regulation T is available for your inspection at your request. RBC reserves the right to limit RBC Express Credit (margin) purchases and short sales and to alter its margin requirements and due dates for house or other margin calls in accordance with the firm's guidelines, market conditions and regulatory requirements.

The prices reported on your RBC statement for securities issued through or by a Direct Participation Program, Real Estate Investment Trust, or Private Securities, including Hedge Funds are estimates. RBC does not calculate the prices of these securities, and has not confirmed these prices or verified that they are determined correctly. Instead, RBC relies on independent quotation services or the management, trustee or general partner of the issuer of the securities to provide such prices. The prices may be based on independent appraisals, the book value of the entity's assets, the prices paid or offered for the securities, or another method or basis (or a combination of any of these). These securities are illiquid, and do not trade in a public market. Consequently, the estimated value of the securities (which is shown on your statement) may not equal the amount(s) that you receive if you attempt to sell your investment. In some cases, accurate valuation information relating to these securities may not be available. For current or estimated price information on the estimated value of the securities, the source of the actual or estimated value of the securities, or the method by which the value was determined or estimated, please contact your Financial Advisor.

If this statement contains an estimated value, you should be aware that this value may be based on a limited number of trades or quotes. Therefore, you may not be able to sell these securities at a price equal or near to the value shown. However, the broker-dealer furnishing this statement may not refuse to accept your order to sell these securities. Also, the amount you receive from a sale generally will be reduced by the amount of any commissions or similar charges. If an estimated value is not shown for a security, a value could not be determined because of a lack of information.

FINRA BrokerCheck Hotline - FINRA has made available to investors a pamphlet describing FINRA BrokerCheck for your information. To obtain a copy of the brochure, please contact FINRA at 800-289-9999 or visit their website at www.finra.org.

Same Day Cash Sweep Redemptions - If your transaction has the description "Same Day", the transaction you requested required same day payment. RBC retained the last day's dividend to offset the cost of advancing a same day payment on your behalf.

The Estimated Annualized Income ("EAI") for certain securities could include a return of principal or capital gains, in which case EAI depicted on this account statement would be overstated. EAI is only an estimate of income generated by the investment and the actual income may be higher or lower. In the event the investment matures, is sold or called, the full EAI may not be realized.

* The Unrealized Gain/Loss may not reflect your investments' total return. Specifically, the net cost may include dividend and capital gains distributions which have been reinvested. Additionally, the information that appears in these columns may be based on information provided by you or at your direction. RBC has not verified such data.
